Description

On Display for Fort Lauderdale International Boat Show

This timeless design is a classic product of the Sanlorenzo tradition. The SL96 harmoniously combines the elegant spaces of the Sanlorenzo planing fleet with the latest technological features and style. The flybridge on the SL96 is unmatched in this sector of the yacht industry - a vast space dedicated to enjoying the sea with your fortunate companions, friends, and family is made possible by a generous aft garage for storing the tender. The shipyard's redundancy components within the engine room make her safe and reliable to travel with peace of mind throughout the United States, Bahamas and other quaint destinations in the western Hemisphere.
