Manufacturer Provided Description

Everything about the athletic, seaworthy Tiara Convertible is dedicated to fishability. The modified deep-V hull design and distinctive sheer line carve seas cleanly for performance and control. Wide-open, well-equipped cockpits keep all your bait, tackle and gear close at hand - and low freeboard gets you close to the action. Below deck, fishability meets livability. Living quarters are comfortable, functional and beautiful - with plenty of room to store gear. Engine rooms are well thought out for easy maintenance. At the helm, single-minded instrumentation, expansive sightlines and spreader lights make it easy to back down on a tournament winner or dock stern-to with your catch.

Engine Notes

HP given for performance report engine. Other engines available.
